

School of Computing
Faculty Rank – Assistant of Associate Professor

The School of Computing at the University of South Alabama is soliciting applications for a tenure-track position in Computer Science at the open rank of Assistant or Associate Professor. The position has a start date as early as January 1, 2025.

At the time of appointment, applicants must hold a Ph.D. in Computer Science (or closely related field), be proficient in spoken and written English and capable of supporting funded research. An established record of excellence in research (as evidenced in publications and/or external funding), demonstrated excellence in teaching both undergraduate and graduate computing courses, and the ability to mentor undergraduate and graduate researchers is preferred.

Applicants are welcome to apply in their respective areas of research, but special consideration will be given to applicants with experience in one or more of the following areas:

- hardware assurance
- embedded systems protection
- cyber physical systems
- software protection and assurance
- secure software engineering
- cybersecurity

The University of South Alabama is located in Mobile, Alabama. Applicants should submit the following materials: (i) a current curriculum vitae, (ii) a one-page statement of teaching philosophy, (iii) a two-page research statement, (iv) an up-to-date vitae, and (v) contact information for three professional letters of reference, to the Search Committee, Dr. Tom Johnsten, at: cssearchchair@southalabama.edu.

Before an on-campus interview can occur, the University must receive official transcripts sent from all institutions of higher learning in which the applicant has earned a degree, three signed, original letters

of recommendation, and a completed University of South Alabama Biographical Data Form
